

The Best Ways to Use Your Celebration Kit

Printable Posters

Print these PDFs on 8.5x11 or 11x17 and hang up around your school to get students and staff in the mood for turkey on the menu! Use the ready-to-go version, or use the editable blank area to add in important information, like types of meals or dates to look forward to. Just type in the info and print or print and handwrite in!

Social Media Images

Download and post these ready-to-go social media images to let students and parents know about your tasty festivities. Use the following captions or make up your own!

Suggested Captions:

Hey parents and students! This week, we'll be celebrating the holidays with tasty turkey meals every day—stop in the cafeteria to enjoy!

It's the time of year to get thank + full! Enjoy tasty turkey holiday meals in the cafeteria.

Tip: A typical Turkey Trot is a 3.1 mile loop!

Turkey Trot Racing Bibs

Hosting your own Turkey Trot at your school? Download this racing bib PDF, add in your school name and date at the top and print. Then handwrite in numbers for each racer!

Digital Menu Board Signage

Display these images on your digital menu boards. Use the ready-to-go JPEG files, or use the editable versions with blank areas to add in important information, like types of meals or dates to look forward to. If you choose to customize, just download the editable PDF, type in the info and export as a JPEG.
